***Notice of Ex Parte Presentation***

Re: MB Docket Nos. 14-50; 09-182

Dear Ms. Dortch:

This ex parte filing is made to note for the record that on Tuesday, June 6, 2017 at approximately 9:00 am Ralph Oakley, CEO of Quincy Media, Inc., Dave Booth, General Manager of Television Station WQOW, Eau Claire, Wisconsin, and Tom Allen, Regional Vice President of Quincy Media, Inc. met with Chairman Ajit Pai and Mr. Nick Dagani of his staff at the studios of Television Station WQOW.

Messrs. Oakley, Allen and Booth expressed the view that the existing TV duopoly rule, newspaper/broadcast rule and TV/radio cross-ownership rules have outlived their usefulness and ought be eliminated. They also observed that elimination of these existing rules would allow for combinations of newsroom assets that would enhance station's ability, through economies of scale and scope, to provide improved news and public service benefits to the communities they serve.

If any questions should arise during your consideration of this matter, kindly communicate with the undersigned.

Sincerely,

Mark J. Prak
